

PARK ASSOCIATI STUDIO CHOOSES **MILLEFORMA**[®] FOR THE NEW INTERIORS OF DRESSING ROOM 2 AT THE **TEATRO ARCIMBOLDI MILANO**

Project **Darkness and Light** – Dressing Room 2 | Milan, September 2021

Milleforma acoustic panels cover the main wall of dressing room 2, harmoniously integrating with the other elements of the installation selected by Park Associati design studio as part of a Teatro Arcimboldi Milano initiative called Vietato l'Ingresso.

Project **Darkness and Light** – Dressing Room 2 | Milan, September 2021

The Milleforma RETTANGOLO 30 TWILL panels increase **sensorial comfort**: they absorb sounds and create a **natural textured surface** that combines with the mineral painted walls, **interacting with the light** and with the other materials selceted by Park Associati for the Teatro Arcimboldi Milano dressing room 2.
